8-10 October 2024, Abu Dhabi National Exhibition Centre

Do you want to be one of the first UK companies to exhibit at Global Rail?

This October, Etihad Rail, the developer and operator of the UAE National Rail Network, is hosting its first ever rail conference and expo in Abu Dhabi.

Held under the theme of 'Setting Transport Infrastructure and Global Connectivity in Motion', this event will attract thousands of rail and transport industry leaders, strategists, and sector specialists, providing you with the perfect opportunity showcase your technologies to a global audience.

The Department for Business and Trade is hosting a **UK Pavilion** at Global Rail and is offering space to 9 experienced exporters for £475 per company. This will include a fully branded area equipped with everything you need to spotlight your capabilities.

To apply for a spot, we ask that you provide a 500-word summary of following:

- What your business has exported to the Middle East region.
- Your business' relationship with Etihad Rail (if applicable).
- What you would like to achieve from exhibiting at Global Rail.

If you wish to take part, please send your responses to Adina Nembhardt, Senior International Rail Manager, at adina.nembhardt@businessandtrade.gov.uk by *30 August*.

We look forward to hearing from you!
