## Getting here:

Doncaster Railway Station is located in the heart of the centre and Doncaster Racecourse is only a 30 minute walk away or a short 5 minute taxi journey, with taxis conveniently located outside the station, meaning it's always an option to leave the car at home. However, if you need parking options, the best car park for you is Doncaster Racecourse.

## Dining & Entertainment:

After a day of conferencing, it's only natural to want to switch off and relax. In Doncaster, you're in luck! Indulge in Doncaster's diverse culinary scene including a range of international cuisine located on Nether Hall Road or at the Wool Market in the city centre, or treat yourself at one of our well known restaurants at the Herten Triangle.

There's a great leisure offer in Doncaster too, from interactive darts to shuffle boards, escape rooms, cinemas and bowling – there's something for everyone. You might even choose to head to one of Doncaster's oldest public houses, The Salutation ('The Sal' to regulars!) which also provides a Tuesday night weekly quiz (and a fine Thai restaurant to match).
