MEET WITH A DELEGATION OF AFRICAN CONTRACTORS

- **London - Tuesday 17 and 18 February 2025**
- **Cardiff - Wednesday 19 February 2025**
- **Manchester - Thursday 20 February 2025**

The UK Department for Business and Trade (DBT) in Africa, in collaboration with UK Regions and Nations are thrilled to announce the second edition of the Engineering, Procurement and Construction (EPC) Roadshow, taking place from 17 to 21 February 2025. This exclusive event will bring leading EPC contractors, who are delivering major projects across Africa, to engage directly with supply chain businesses based in the United Kingdom.

Why Join

At these events, you will have the opportunity to engage directly with potential buyers. By participating in this unique networking opportunity you will:

- Gain insights into a range of major infrastructure projects due to be delivered across the African continent
- Promote your expertise and capabilities to potential clients
- Speak to the EPC contractors about their procurement requirements and learn how to join their vendor lists
- Grow your network and establish connections with international buyers

About the Opportunity

The Roadshow will focus on projects in infrastructure and its sub-sectors. This is an exclusive opportunity for UK businesses to gain insights into a range of major infrastructure projects due to be delivered across the African continent; promote their expertise and capabilities; have initial conversations with the EPC contractors about their procurement requirements; learn how to join their vendor lists and establish new business relationships. The roadshow will highlight opportunities in the following sub-sectors:

- Construction
- Roads
- Bridges
- Airports
- Rail
- Water
- Ports
- Bus Rapid Transit (BRT)
